

WOMEN IN SCIENCE CONFERENCE

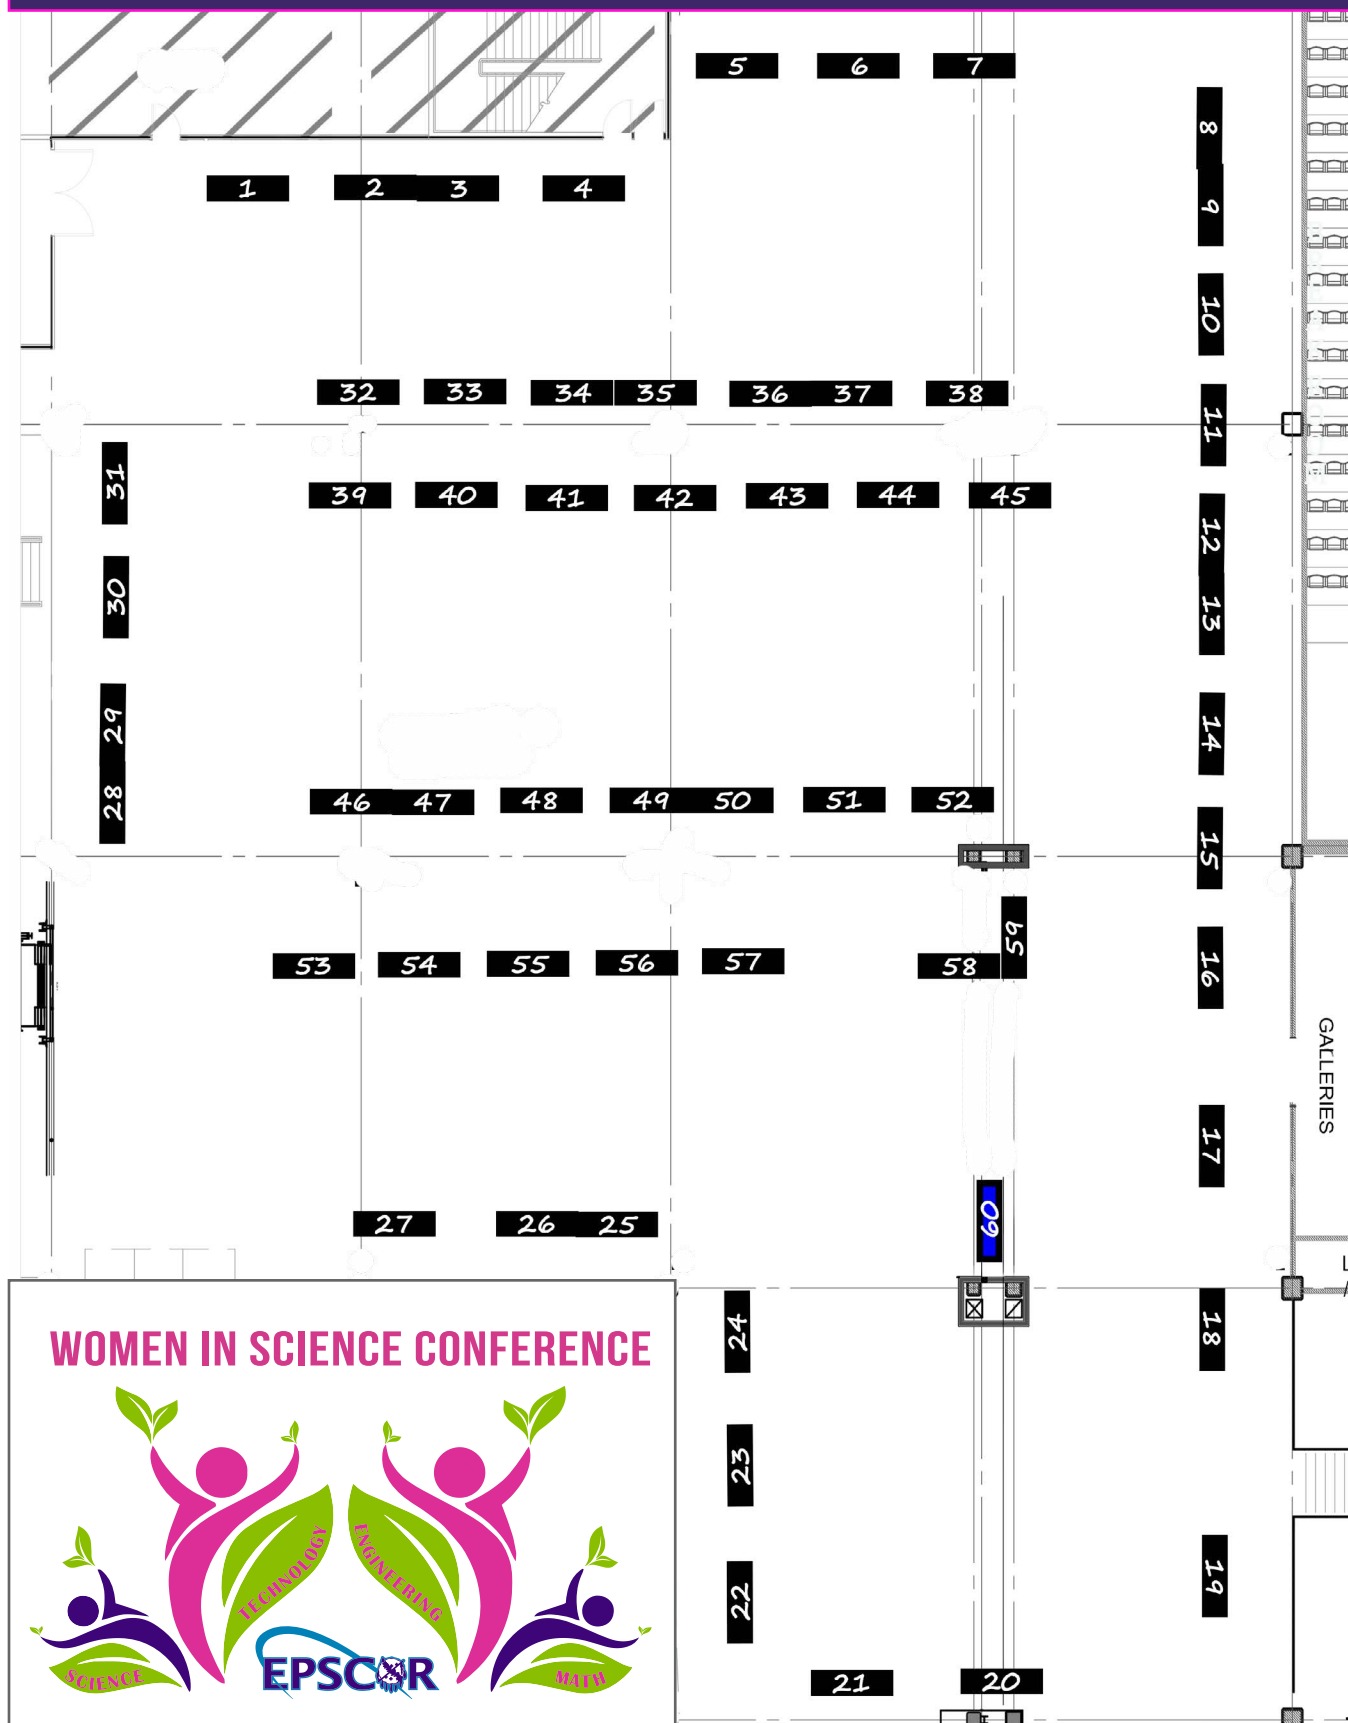

| BOOTH # | HANDS-ON SCIENCE & RECRUITMENT FAIR BOOTHS |
|---------|--|
| 1 | Women's Energy Network: How to Identify a Rock |
| 2-3 | Oklahoma Geological Foundation: Discover Rocks, Minerals and Fossils |
| 4 | OKWIT: Change the World - Learn to Code |
| 5 | ACS - OSU Student Chapter: Making Glitter Slime |
| 6 | Oklahoma State University- College of Engineering, Architecture & Technology: OSU Tower Challenge |
| 7 | Oklahoma 4-H: Seed to STEM |
| 8-9 | Cellular & Behavioral Neurobiology--OU-Norman: Hands-on Brain Activities |
| 10 | University of Science & Arts of Oklahoma: Can Juice Bottles be Edible??? |
| 11 | OSU Oklahoma Water Resources Center: Exploring Groundwater |
| 12-13 | Dept. of Psychology, Oklahoma State University: Psychology Museum/Psych Mobile |
| 14 | Mechanical Engineering Technology, Mechatronics & Electrical Engineering Technology: Magnetic Robots |
| 15 | Construction Engineering Technology, and Fire Protection & Safety Engineering Technology |
| 16 | Advanced Materials for Electrochemistry & Energy Research Group, School of Chemical Engineering, OSU |
| 17 | MS2M & BMM Lab, Mechanical Engineering, OSU: Biomechanics & Artificial Muscles |
| 18 | Assoc. for Women Geoscientists, Boone Pickens School of Geology: Investigating the Geosciences |
| 19 | NASA OKSG: Stomp Rockets |
| 20 | Oklahoma State Electrochemical Society Student Organization: Electricity from Lemons |
| 21 | Oklahoma State University Center for Health Sciences: Hearts & Parts - Anatomy |
| 22 | Oklahoma City Community College: Catapult to STEM |
| 23 | SKELETONS: Museum of Osteology: Forensic Osteology - Human Skulls |
| 24 | OUHSC College of Allied Health: Creepy Manikin Knows Allied Health |
| 25-26 | The Oklahoma School of Science & Mathematics: Robotics & Engineering |
| 27 | Stephenson School of Biomedical Engineering, Yang Lab, OU: Neural Control & Rehabilitation in OK |
| 28-29 | Southwestern Oklahoma State University; Women in STEM & SAGE STEAM: Fun with STEM |
| 30 | Southwestern Oklahoma State University Chemistry: SWOSU Quick Chemistry |
| 31 | Southwestern OSU, Dept. of Biological Sciences: Macroinvertebrates & Water Quality |
| 32 | East Central University Physics: Using Ultrasound to Image Defects in Engineering & Medicine |
| 33 | East Central University, Dept. of Biological & Environmental Sciences: Gone Bananas! |

WOMEN IN SCIENCE CONFERENCE

| BOOTH # | HANDS-ON SCIENCE & RECRUITMENT FAIR BOOTHS |
|---------|--|
| 34-35 | East Central University: Water Quality Investigations |
| 36-37 | OU Engineering: The Pretty & the Sticky - Binary Bracelets & Slime Deconstruction |
| 38 | Oklahoma Geological Survey: Seismic Sensations! |
| 39 | Northrop Grumman Women's International Network: Giant Nintendo Challenge |
| 40 | Langston University Biology: Microgravity, Space Food & Bone Mass Loss |
| 41 | Cameron University: Physics is Fun! |
| 42 | Cameron University Dept. of Chemistry, Physics & Engineering |
| 43 | National Weather Service Arkansas-Red Basin River Forecast Center: Floodplain Simulation Model |
| 44 | OU SCAN & School of Meteorology Outreach: Observing & Visualizing the Atmosphere |
| 45 | AEON Lab, Aerospace Engineering, OSU: Flights Around Oklahoma |
| 46-47 | KidWind Project: KidWind/NOC/Enel - It's All About the Wind, Sun & Earth |
| 48 | Enel Energy/KidWind: Everyday SuperHeroes - Women in Energy Careers Book Signing |
| 49-50 | OGE Energy Women TOGETHER: Careers in Energy |
| 51 | Northern Oklahoma College: Exploring the Future of Engineering |
| 52 | Biosystems Engineering - Oklahoma State University |
| 53 | Federal Aviation Administration, Mike Monroney Aeronautical Center: Aviation Adventures w/the FAA! |
| 54 | The Civil Aerospace Medical Institute: The Women of Today are the Aviation of Tomorrow |
| 55 | U.S. Fish and Wildlife Service: Turtles, Trivia & Touch Boxes! |
| 56 | UCO: STEM Career Builder with Disruptive Innovations |
| 57 | Southern Nazarene University, Dept. of Chemistry: Colors in Liquid Crystals |
| 58-59 | EPSCoR: Environmental Engineering & Science at OSU & OU - Treatment Wetlands & Water Quality |

HANDS-ON SCIENCE & RECRUITMENT FAIR

Booth Map: Mezzanine - 2nd Floor
